

Why does our food taste so good?

We make everything from scratch in our kitchen. We use the best ingredients we can find. We roast and cure our own meats and make all our own sauces. Whenever we can, we use organic and local ingredients, and we take our time to be sure that Quarry Café food is made right.

Don't forget the dessert!

Quarry Café bakers offer something special for every sweet tooth. Our signature desserts include traditional, vegan, and gluten-free delights as well as seasonal treats.

Don't miss our baked goods, including scones, muffins, cookies and bars. We have traditional favorites like brownies, and some offerings for those with more adventurous tastes

We make organic, fair trade espresso drinks, fresh juices, and smoothies too!
